## GETTING TO PILSEN BY BUS

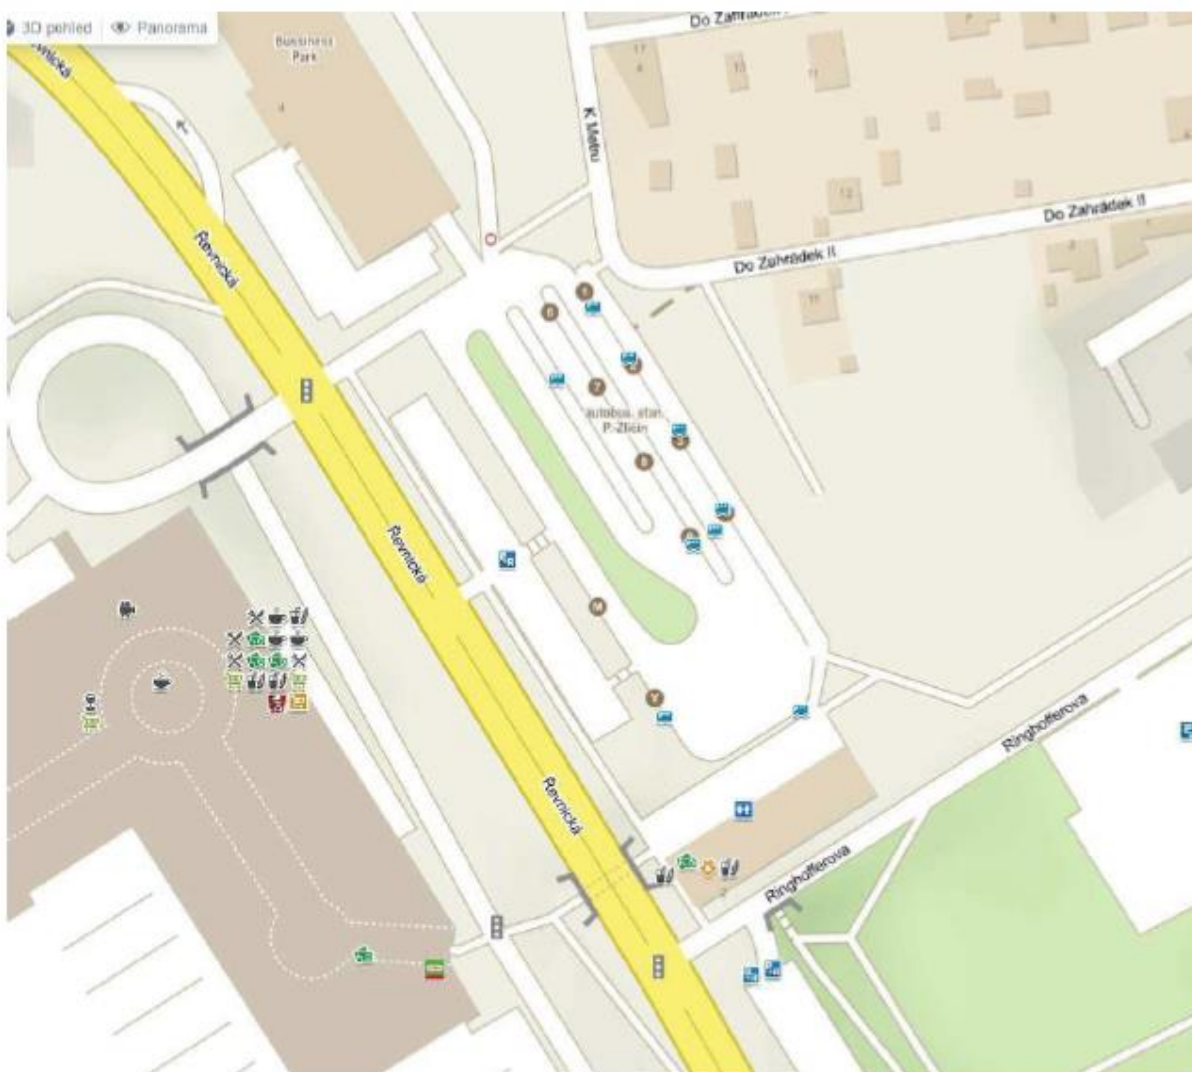

To get to Pilsen by bus you can use the public transport from the Prague airport to the station Zličín. City bus No. 100 connects the airport with the Zličín station. From the Zličín bus station depart yellow buses of the company RegioJet (Student Agency - from the stop No. 1) or FLIXBUS to Pilsen.

We recommend purchasing the ticket in advance online from Prague – Zličín to Pilsen – CAN (The Main Pilsner Bus Station). Very often there are no vacancies in the bus. Below you can find the links:

## PILSNER PUBLIC TRANSPORT

- bus, trolleybus or tram.

Timetables and tariff – fares are available on this website: <http://www.pmdp.eu>

### Individual fare for Pilsen

If you are traveling by public transport, you must have a valid ticket. It is advisable to purchase a ticket before entering the carriage. A ticket sold by a driver is more expensive and its purchase prolongs the time spent at the stop. Single tickets can be purchased at most newspaper-stands or you can buy transfer ticket by using contactless bank card at ticket vending machines inside the vehicles. The ticket bought from the driver or at newspaper-stands must be stamped inside the tram, trolleybus or bus.
